

or approved by the Commission) that whenever such organization makes a disbursement for activities undertaken pursuant to 11 CFR 300.32(b), that organization had received sufficient contributions or Levin funds to make such disbursement.

(d) *Recordkeeping.* All party organizations or committees must keep records of deposits into and disbursements from such accounts, and, upon request, must make such records available for examination by the Commission.

§ 300.31 Receipt of Levin funds.

(a) *General rule.* Levin funds expended or disbursed by any State, district, or local committee must be raised solely by the committee that expends or disburses them.

(b) *Compliance with State law.* Each donation of Levin funds solicited or accepted by a State, district, or local committee of a political party must be lawful under the laws of the State in which the committee is organized.

(c) *Donations from sources permitted by State law but prohibited by the Act.* If the laws of the State in which a State, district, or local committee of a political party is organized permit donations to the committee from a source prohibited by the Act and this chapter, other than 2 U.S.C. 441e, the committee may solicit and accept donations of Levin funds from that source, subject to paragraph (d) of this section.

(d) *Donation amount limitation—(1) General rule.* A State, district, or local committee of a political party must not solicit or accept from any person (including any entity established, financed, maintained, or controlled by such person) one or more donations of Levin funds aggregating more than \$10,000 in a calendar year.

(2) *Effect of different State limitations.* If the laws of the State in which a State, district, or local committee of a political party is organized limit donations to that committee to less than the amount specified in paragraph (d)(1) of this section, then the State law amount limitations shall control. If the laws of the State in which a State, district, or local committee of a political party is organized permit donations to that committee in amounts greater than the amount specified in

paragraph (d)(1) of this section, then the amount limitations in paragraph (d)(1) of this section shall control.

(3) *No affiliation of committees for purposes of this paragraph.* For purposes of determining compliance with paragraph (d) of this section only, State, district, and local committees of the same political party shall not be considered affiliated. Subject to the amount limitations specified in paragraphs (d)(1) and (d)(2) of this section, a person (including any entity directly or indirectly established, financed, maintained, or controlled by such person) may donate without additional limitation to each and every State, district, and local committee of a political party.

(e) *No Levin funds from a national party committee or a Federal candidate or officeholder.* A State, district, or local committee of a political party disbursing Levin funds pursuant to 11 CFR 300.32 must not accept or use for such purposes any donations or other funds that are solicited, received, directed, transferred, or spent by or in the name of any of the following persons:

(1) A national committee of a political party (including a national congressional campaign committee of a political party), any officer or agent acting on behalf of such a national party committee, or any entity that is directly or indirectly established, financed, maintained, or controlled by such a national party committee. Notwithstanding 11 CFR 102.17, a State, district, or local committee of a political party must not raise Levin funds by means of joint fundraising with a national committee of a political party, any officer or agent acting on behalf of such a national party committee, or any entity that is directly or indirectly established, financed, maintained, or controlled by such a national party committee. Nothing in this section shall be construed to prohibit a State, district, or local committee of a political party from jointly raising, under 11 CFR 102.17, Federal funds not to be used for Federal election activity with a national committee of a political party, or its agent, or any entity directly or indirectly established, financed, maintained, or

controlled by such a national party committee.

(2) A Federal candidate, or an individual holding Federal office, or an agent of a Federal candidate or officeholder, or an entity directly or indirectly established, financed, maintained, or controlled by, or acting on behalf of, one or more Federal candidates or individuals holding Federal office. Notwithstanding 11 CFR 102.17, a State, district, or local committee of a political party must not raise Levin funds by means of joint fundraising with a Federal candidate, an individual holding Federal office, or an entity directly or indirectly established, financed, maintained, or controlled by, or acting on behalf of, one or more candidates or individuals holding Federal office. A Federal candidate or individual holding Federal office may attend, speak, or be a featured guest at a fundraising event for a State, district, or local committee of a political party at which Levin funds are raised. *See* 11 CFR 300.64.

(f) *Certain joint fundraising prohibited.* Notwithstanding 11 CFR 102.17, a State, district, or local committee of a political party must not raise Levin funds by means of any joint fundraising activity with any other State, district, or local committee of any political party, the agent of such a committee, or an entity directly or indirectly established, financed, maintained, or controlled by such a committee. This prohibition includes State, district, and local committees of a political party organized in another State. Nothing in this section shall be construed to prohibit two or more State, district, or local committees of a political party from jointly raising, under 11 CFR 102.17, Federal funds not to be used for Federal election activity.

(g) *Safe Harbor.* The use of a common vendor for fundraising by more than one State, district, or local committee or a political party, or the agent of such a committee does not constitute joint fundraising within the meaning of this section.

§ 300.32 Expenditures and disbursements.

(a) *Federal funds.* (1) An association or similar group of candidates for State

or local office, or an association or similar group of individuals holding State or local office, must make any expenditures or disbursements for Federal election activity solely with Federal funds.

(2) Except as provided in this part, a State, district, or local committee of a political party that makes expenditures or disbursements for Federal election activity must use Federal funds for that purposes, subject to the provisions of this chapter.

(3) State, district, and local party committees that raise Federal funds to be used, in whole or in part, for Federal election activities must pay the direct costs of such fundraising only with Federal funds. The direct costs of a fundraising program or event include expenses for the solicitation of funds and for the planning and administration of actual fundraising programs and events.

(4) State, district, and local party committees that raise Levin funds to be used, in whole or in part, for Federal election activity must pay the direct costs of such fundraising with either Federal or Levin funds. The direct costs of a fundraising program or event include expenses for the solicitation of funds and for the planning and administration of actual fundraising programs and events.

(b) *Levin funds.* A State, district, or local committee of a political party may spend Levin funds in accordance with this part on the following types of activity:

(1) Subject to the conditions set out in paragraph (c) of this section, only the following types of Federal election activity:

(i) Voter registration activity during the period that begins on the date that is 120 days before the date a regularly scheduled Federal election is held and ends on the date of the election; and

(ii) Voter identification, get-out-the-vote activity, or generic campaign activity conducted in connection with an election in which a candidate for Federal office appears on the ballot (regardless of whether a candidate for State or local office also appears on the ballot).
